

Are you a quick learner? Do you love working with electronics? Are you someone that takes pride in their work? Do you want a job that at the end of the day you can go home and be proud of what you are doing? Do you have a desire to install devices that could help save someone's life?

**WE HAVE THE PERFECT POSITION FOR YOU!**

S&L Services, Inc. is based out of North Liberty, Indiana. We are a fast growing company that specializes in three main areas: 1.) Burglar and Fire Alarms for both commercial and residential locations; 2.) Card Access and Camera Systems; and 3.) Live 5-second GPS Tracking Units.

We are looking for an installer that must have some electronics experience. We will train a quick learner. Experience in the alarm field will be a strong positive! Technician will be installing all of the above listed products as well as other items as necessary.

Please call S&L Services at 1-888-715-2727 for application or questions! Thank you in advance for the interest in our company! We look forward to finding the next great team member!
